27th & 28th July 2019

WA24 2day UKRS Open Field Shoot & Sussex Field Champs

Venue: Stonehouse Farm, Merriments Lane, Hurst Green, Etchingham, East Sussex. TN19 7RD

Weather: Saturday – Heavy Rain Sunday Dry & windy

After the record high temperatures on Thursday, 55 Archers turned out to brave the heavy rain that followed on Saturday. Thankfully Sunday was mainly just windy! The weather did present us with some problems, however with the Judges help and the quick reactions and hard work of the Field Crew, the show went on.

Massive thanks to our Judges for the weekend

Tony Harris (CoJ), Paul Clarke, Julie Coates, Lorraine Smyth and Candidate Judge Chris Charlesworth

You were well challenged by the weather which made the Saturday very hard work, so once again, thank you all for your invaluable contribution, without which the event would not have happened.

Event Sponsors

A big thanks for the support we received from Nick Baines at In-Range Archery, who sponsored the event. Much appreciated!

Field Crew & Catering Team

Too few, good people, did a massive amount of hard work.

Despite requests for help from all Sussex Archers & our own Club members, the response was pitiful to cover all the different jobs which needed to be done, both in advance and over the weekend itself.

For those of you who helped – thank you. You know who you are.

A particular mention to Don McCullum & Richard Parker both from other Clubs who selflessly gave up their time on Thursday to come and help out, and thanks also to Cecile Midrouillet who had planned on competing but volunteered to assist with the Catering instead.

Course Setter

I asked Adam Stevens if he would like to give me a hand with designing the course and you can probably guess that he did. For those of you who have now fallen out with me.....blame him!! 😊 Thank you Adam, I have some feedback for you which I can't publish here.

Competitors

Thanks go to all Archers who came and supported the event, tolerated the weather, and well done to those of you who won awards. As the shoot incorporated the Sussex County Champs, 20 Sussex Archers battled for top dog in their Bowstyle. Congratulations to those who medalled and took trophies away.

A special mention to Olly Woodward from Newnham Archery Club in Gloucestershire who has claimed a new National Record for U15 Longbow with a score of 173. Well done!
