I would like to thank Tony , Derrick and Paul for Judging the shoot and keeping our spirits up in the pouring rain and Claire our Lady Paramount. Thanks to all that helped in getting us ready for the day and Adele McPeake for supporting me in getting organized and Rod Brown for presenting the Sussex Championship awards.

Our team on the day allowed everyone to enjoy their shooting as well as keeping everyone fed and watered – thanks Claire and Richard for catering and general duties to make the shoot a welcome experience.

A massive thankyou to the Archers who came along and had a great shoot – even though the weather tried to drench your spirits.

Many thanks to Nick Baines of In-Range Archery for your support and for providing the target faces.

Thanks also to those who helped get the field set up - Chris, Kevin and Isaac and all those who helped with the tidy up afterwards.

I hope you had a great shoot and will return next time..

Please join our Facebook page [High Weald Archers](#) and [THWACfield](#) to be kept up to date with both Target & Field Events.
