I would like to thank Derrick Lovell and Tony Harris for Judging the shoot and keeping us all in check and Claire Smith our Lady Paramount. Thanks to all that helped in getting us ready for the day and Adele McPeake for supporting me in getting organized for the day. Our team on the day allowed everyone to enjoy their shooting as well as keeping everyone feed and watered – thanks Mike and Gail Barrell, Kevin Lambie and Isaac Hall for catering and general duties to make the shoot a welcome experience.

I would also like to thank all Archers who took advantage of this Combined shoot, it's always great to see new faces and of course, you regulars.

I am pleased to say that two archers are claiming UK records, so they deserve a special mention. They are:

Chris Ellis	Bray 2 & Bray1
Julien Beauquel	Bray 2

Thanks also to Aim Archery for their continued support & for providing the target faces for our Competitions.

Hope to see you all again soon at our Outdoor Shoots later this year
