Lost Arrows – Can anyone who has lost arrows please email me the usual info and we will have a look for them.

GDPR – Information provided by you on entry form may be collected, stored & shared for the purposes of running both this & future competitions. This info includes, Name, Gender, Age Category, Bowstyle, DOB & contact info such as email & phone numbers. (Contact info will not be published) Photos taken from the weekend may appear on our website, and/or facebook pages for the purpose of promoting the event. As the entry form was issued prior GDPR regs please email me directly should you have any objections.

Thanks to:

We would like to say a massive thank you to our Judges this weekend:

Derrick Lovell, Paul Clarke, Tony Harris & Julie Coates, who were accompanied by Candidate Judge Debbie Horn.

We not only truly appreciate the time you give up and hard work you put in, but also the ability and high standard that this team brings to our shoot. With both Pete & I still relatively new to the organising of field shoots, we are still learning the fine tuning. 😊

Course Setter: Pete Mann who, according to feedback, has once again laid on a challenging course which made good use of the land available to us & his field craft knowledge.

Field Crew: Nick Rowe, Kevin Lambie, Gareth Thomas Prause & of course Pete Mann worked like Trojans all weekend. Your job all the harder due to the extreme weather but this kept the shoot going to the end.

Our Catering Team Gail & Mike Barrell & Claire Smith have earned their Scouts BBQ Badge this weekend for providing great food, topped off with a Gail chilli special which went down a treat.

To those of you who helped with all the Course work and setup in the weeks and days beforehand. Yes, it's finally over!

I would also like to Congratulate all Archers who stuck with it and walked away with Medals at the OPEN & Trophies and Medals for the Sussex Champs, your stickability paid off! I know some of you also had PBs, so well done and for the rest of you, well you now have a little bit more experience shooting in some very tricky conditions. Well done.

Some archers decided to opt out of the Sunday. On this note, firstly I hope you all enjoyed the Saturday but also thank you for letting me know your intentions in advance. It really does help to get organised ahead of the Assembly deadline when it comes to rejigging the groups. If you didn't, please do next time.

Lastly I would like to thank Jean Wilkinson & Rod Brown, our Sussex County Chairman, for assuming Lord & Lady Paramount, in a very unrelated manner!
